Europe's Best in Multimedia Certificate

The CD-ROM Africa Folk Music Atlas has been nominated by the international expert jury of the EuroPrix 98 as outstanding product in the category of

Knowledge and Discovery

This is to recognise the achievements of Producer Amharsi Srl Edizioni Multimediali in demonstrating the high value of multimedia production in Europe.

The EuroPrix was initiated by the Austrian Federal Ministry for Economic Affairs on the occasion of the first EU Presidency of Austria during the second half of 1998. The competition is supported by the European Commission's Directorate-General XIII in the framework of the INFO2000 programme to develop the European multimedia industry.
